

# GET **BOX LOCKS**<sup>TM</sup> BEFORE THE LAW\* GETS YOU!

**TIRED OF FAULTY HOLD-DOWN AIR SYSTEMS,  
REPLACING STRAPS OR LOSING HOOKS?**

**Pioneer Cover-all<sup>TM</sup>** has the **ONLY MECHANICAL** container securement device that **AUTOMATICALLY LOCKS & UNLOCKS** containers with a **MINIMUM of 30,000 lbs of PRESSURE**. Compare with competitor's air lock systems that operate at a mere 120 lbs. *Best of all, NO DRIVER DECISIONS REQUIRED!* **BOX LOCKS** simply **LOCK AND UNLOCK** as the driver raises and lowers the hoist.

**BOX LOCKS: HALF the PRICE and HALF the INSTALLATION TIME!**

\*Designed to secure all containers that comply with ANSI standards and meet the DOT regulations requiring by law that proper securement of container to chassis is accomplished. Not intended to secure severely damaged containers.

**BOX LOCKS<sup>TM</sup>**  
Patent Pending
